

Attendance to classes - I semester Academic Year 2021/2022

- Classes are going to be held on premises, Department of Economics and Management, Via San Felice 5/7 - Pavia.
- In order to access the classrooms it is compulsory to hold a Green Pass and therefore declare to satisfy the requirements to attend a lecture. Please see details on this at [this link](#)
- To ensure the required distance in the classroom, attendance will be limited. This might require organizing 'rotations' depending on the size of the rooms and the number of students. ONLY in case of 'rotations', classes will be 'streamed' live. Therefore, ONLY in case of rotations, students who did not register for attending in presence will be able to attend the online streamed classes. In this case, students will find a link to access the ZOOM virtual rooms on the KIRO web page of the specific course.
- Recordings of the lectures are however guaranteed for all courses: they will be made available (together with other teaching material) on KIRO platform. **PLEASE NOTE: recordings of lectures from last academic year may also be used**, if there have been no changes in the course contents.
- KIRO platform <https://elearning1.unipv.it/economia> can be accessed using UNIPV username and password received after enrolling (the same used for the reserved area)
- To understand how many students wish to attend IN PRESENCE and declare to hold its requirements, it is COMPULSORY for students to register using the app frequenzainpresenza.unipv.it. Students can access the app using their own University of Pavia username and password.
- Upon accessing the app, students are required to register themselves for any course they wish to attend IN PRESENCE during this term. Please DO NOT register if you do not intend to go to class. You may prevent other students from attending.
- Periodically (see the Table below) we will take a 'snapshot' of the students' preferences and, depending on the number of students who registered to attend a specific course, we will decide whether rotation is required or not. In case of rotation, students will be assigned to specific groups and days in which they could attend based on their University ID number.
- Students can modify their preferences at any time. However, after the 'snapshot' is taken **STUDENTS WHO DID NOT CHOOSE TO ATTEND IN PRESENCE WILL NOT BE ABLE TO DO IT UNTIL THE 'NEXT SNAPSHOT'**.

Instructors have access to the list of students who can attend in presence and can double check in class.

Snapshot taken	Group composition announced on	Attendance period
September 15 th at 12.00pm	September 17 th	September 20 th - October 8 th
October 6 th at 12.00pm	October 8 th	October 11 th - October 29 th
